

CLINICAL

Kareo Clinical is designed to be easy so you can be productive

Kareo's full-featured EHR is simple, intuitive, and won't slow you down. It's designed for you and the way you work so that you can navigate through your day with ease and convenience. Kareo Clinical continuously receives kudos from our customers for ease of use.

Increase Productivity

Kareo provides the tools you need to deliver patient care effectively and efficiently. Save time with workflows tailored to your needs.

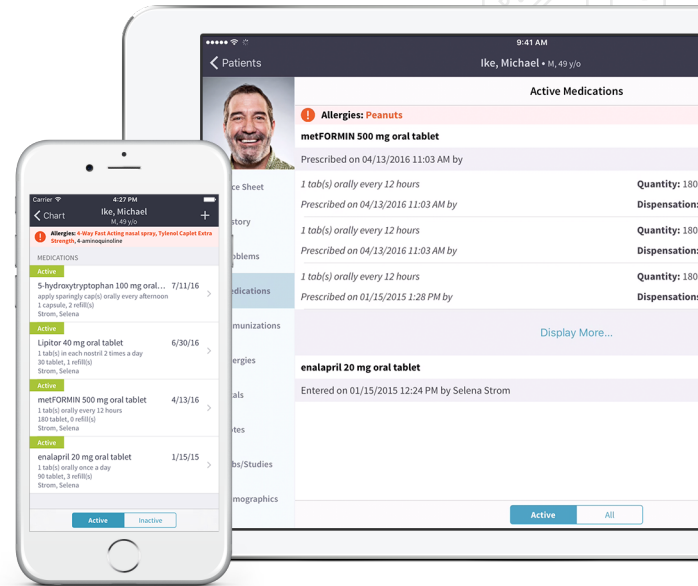

Smarter Charting

Be present for your patient. Focus on the exam, not the EHR. Our flexible design allows you to chart patient visits the way you want with fewer clicks and keystrokes.

Chart, ePrescribe, send lab and imaging orders, and instantly share results right from the record.

Save time with:

- ✓ Configurable templates
- ✓ Specialty-specific templates
- ✓ Customizable shortcuts
- ✓ Diagnosis code search by keyword
- ✓ Same as last time (SALT) notes

At a Glance

ePrescribing - Help your patients get the medications they need faster.

Labs - Request lab and imaging tests right from your patient's chart.

Tasks - Stay on top of your to-do list by managing tasks in one central location.

Documents - Embed, annotate, and manage documents and images from anywhere within the EHR.

Messaging - Securely communicate with your patients, providers, and staff right from your EHR.

Mobile Application - Quick and easy charting with Kareo Mobile for iPhone and iPad.

Flowsheets - Gain a holistic view of patient's lab and vital trends on one screen.

Integration

Kareo provides an end-to-end platform to support your independent practice.

When you're using the full Kareo platform: Clinical, Billing and Engage, the patient flow is streamlined. Your data follows your workflow, from scheduling, to check-in, to the physician, and to the biller.

Regulation

We are HIPAA, Meaningful Use, DEA compliant and more. We track it all so you don't have to.

We monitor current program reforms and upcoming policy changes to aid your practice with compliance.

Cloud Based

We help you stay current in a continuously changing landscape.

Kareo is built using the latest web-based technology and industry-leading security so you can stay on the cutting edge of care. Receive automatic updates with no downtime.

- ✓ No lengthy contracts
- ✓ No software to download
- ✓ No hardware to manage
- ✓ No intricate networks to set up
- ✓ No costly upgrades

Your EHR is ready to go as soon as you sign up.

Getting Started

Kareo delivers exceptional support right from the start. Implement quickly with help every step of the way.

Our dedicated Success Coaches will guide you through implementation, data import, and training quickly and easily, so you can start using your cloud-based EHR in less time than you thought possible.
