# PRACTICE MANAGEMENT

## Practice smarter with Kareo PM

With Kareo Practice Management (PM) you get everything you need to run your practice from front to back office. And it's all in a smart, easy-to-use, web and mobile solution designed for simplifying tasks from managing patients to scheduling and billing. Kareo allows you to practice smarter so you can get more done.

### Complete Solution

Kareo PM streamlines everything from billing to scheduling to reporting.

- Quickly resolve billing issues, reduce claim rejections and denials, and get paid faster.
- Easily enter patient data, see account alerts, and verify eligibility with complete patient management.
- Customize your practice schedule and track your productivity with our powerful scheduler.
- Robust reporting tools help you gain visibility into your billing performance.

### Get Paid Faster

Kareo has everything you need to get paid faster the first time, with less effort.

- Stay on top of patient receivables with our powerful billing and collection tools and reporting.
- Collect co-pays and deductibles, process credits cards, and send electronic patient statements.
- See how your practice is performing anytime with easy to understand graphs and metrics.
- Communicate with your biller, patients, and staff using Secure Messaging to quickly resolve questions.
