

INTEGRATED EHR AND PRACTICE
MANAGEMENT PLATFORM

Isn't It Time to Switch to a Better Software?

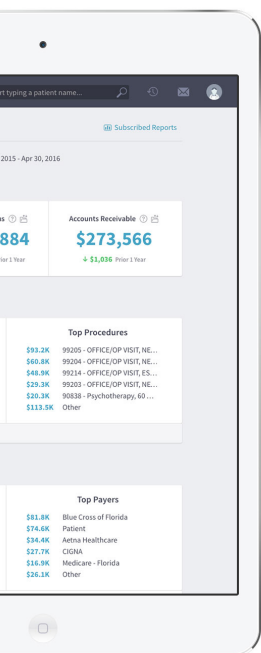

We Make It Easy

- **No Hidden Fees** - No set-up fees, no surprises. Affordable and transparent pricing options.
- **Fast** - Start using Kareo in as soon as 10 business days, with no payment delays during transition.¹
- **Flexible** - Adjust your subscription without penalty.
- **Dedicated Success Coach** - Get your very own project manager to ensure a smooth transition to Kareo.
- **Free Support & Training** - Receive best-in-class support by phone, chat and email and training via live or pre-recorded webcasts and eLearning courses.
- **Assisted Enrollments** - We set you up with the clearinghouse and electronic services for insurance companies.
- **Data Import Services** - Import data securely and quickly from most software systems for a low fee.²

Kareo's Integrated Platform

Kareo is the leading cloud-based, clinical and business management platform designed specifically for independent practices.

KAREO CLINICAL (EHR)

Our MACRA-enabled, certified EHR received the Frost & Sullivan Enabling Technology Award for supporting best practice efficiency.

KAREO BILLING (PM)

Manage patient payments and gain access to financial reports from any device.

KAREO ENGAGE (PATIENT ENGAGEMENT)

Boost patient communication, simplify patient intake, build your online presence and provide a superior patient experience.

PLATFORM EXTENSIONS

Add telemedicine, point of service credit card payments, patient statement mailing services and more.

MARKETPLACE PARTNERS

Complement and extend the value of Kareo with popular third-party integrations.

¹ Time to usage will vary contingent on correct and complete data provided to Kareo.

² Data import fees vary by on customer need.

Why Kareo?

At Kareo, we share the vision that independent practices are the best place for building relationships with patients and providing the most meaningful care.

Award Winning – Recognized technology leader for ambulatory practices.

“”

"Our no-show rate has decreased by over 50%. ... I wish I had known how easy this transition to Kareo was going to be because I would have done it much sooner."

Amber Jensen, Practice Manager
Greener Healing Ways

“”

"After six months, our revenue realization was up 95.6%. ... I have a lot of faith in Kareo, which makes it so much easier for us to keep practicing independently."

Dr. Scott Mayer, Clinical Director
Today Clinic

“”

"We have very low A/R with an average of 24 days... Kareo is well established, reliable, has great partnerships, is integrated with specialty EHRs, and offers strengths for our practice that other systems could not."

Daniel Soteldo, Practice Manager
Westgate Skin & Cancer
