

AMA END USER AGREEMENT

This AMA End User Agreement is incorporated into the Kareo Terms of Service (“Agreement”) and applies solely to content from the print publication *Current Procedural Terminology, Fourth Edition* and the data file(s) of Current Procedural Terminology including CPT® Standard and CPT® Link (formerly known as Developer’s Toolkit), all as available from the AMA published by the AMA in the English language as used in the United States, a coding work of nomenclature and codes for reporting of healthcare services, together with (a) content from the print publication *CPT® Assistant*, a newsletter published by the AMA in the English language as used in the United States; (b) content from the print publication *CPT® Changes*, a book published by the AMA in the English language as used in the United States; (c) content from the data file published by the AMA of the *International Classification of Diseases 10th Revision Clinical Modification and Procedure Coding System*; (d) content from the data file published by the AMA of the *Healthcare Common Procedure Coding System Level II*; and (e) CPT® to SNOMED CT® and SNOMED CT® to CPT® Maps as contained in CPT® Link (“Editorial Content”).

For purposes of this End User Agreement, “Electronic Licensed Product” means Kareo Clinical electronic health records software and Kareo Billing practice management and billing software.

1. Grant of Rights, Restrictions and Obligations

- (a) Without limiting the restrictions on the use of the Service set forth in the Agreement, the license to the Editorial Content is a nontransferable, nonexclusive license, for the sole purpose of internal use by End User within the U.S.
- (b) End User is prohibited from publishing, distributing via the Internet or other public computer based information system, creating derivative works (including translating), transferring, selling, leasing, licensing or otherwise making available to any unauthorized party the Electronic Licensed Product(s), or a copy or portion of Electronic Licensed Product(s).
- (c) The provision of updated Editorial Content in the Electronic Licensed Product(s) is dependent on continuing contractual relationship between Kareo and the AMA.
- (d) The End User must ensure that anyone with authorized access to the Electronic Licensed Product(s) will comply with the provisions of the AMA End User Agreement.
- (e) The Users of CPT Editorial Content, AMA’s version of ICD-10-CM/PCS and AMA’s version of HCPCS are defined as follows:

“User” means an individual who:

- (i) accesses, uses, or manipulates CPT Editorial Content and/or AMA’s version of ICD-10-CM/PCS and/or AMA’s version of HCPCS, as applicable, contained in the Electronic Licensed Product; or
- (ii) accesses, uses, or manipulates the Electronic Licensed Product to produce or enable an output (data, reports, or the like) that could not have been created without the CPT Editorial Content and/or AMA’s version of ICD-10-CM/PCS and/or AMA’s version of HCPCS, as applicable, embedded in the Electronic Licensed Product(s) even though CPT Editorial Content and/or AMA’s version of ICD-10-CM/PCS and/or AMA’s version of HCPCS, as applicable, may not be visible or directly accessible; or
- (iii) makes use of an output of the Electronic Licensed Product that relies on or could not have

been created without the CPT Editorial Content and/or AMA's version of ICD-10-CM/PCS and/or AMA's version of HCPCS, as applicable embedded in the Electronic Licensed Product even though CPT Editorial Content and/or AMA's version of ICD-10-CM/PCS and/or AMA's version of HCPCS, as applicable, may not be visible or directly accessible.

The End User shall accurately calculate Users as defined above for CPT Editorial Content and/or AMA's version of ICD-10-CM/PCS and/or AMA's version of HCPCS, as contained in each Electronic Licensed Product, as applicable, in accordance with the methods for the User Proxy Model Product Categories of Electronic Licensed Product(s) as detailed in the User Proxy Model Calculator in Exhibit A to the End User Agreement Checklist, and/or such other model as required by Kareo under the license agreement between Kareo and AMA. End User shall report to Kareo the accurately calculated number of Users of CPT Editorial Content and/or AMA's version of ICD-10-CM/PCS and/or AMA's version of HCPCS, as contained in each Electronic Licensed Product, as applicable, using this methodology (in order that Kareo may accurately report and pay royalties to the AMA).

The End User shall accurately count Users as defined above for CPT Editorial Content and/or AMA's version of ICD-10-CM/PCS and/or AMA's version of HCPCS, as contained in each Electronic Licensed Product, as applicable, where Kareo advises End User that Kareo and End User are obligated to count Users in accordance with the license agreement between Kareo and the AMA. End User shall report to Kareo the accurately counted number of Users of CPT Editorial Content and/or AMA's version of ICD-10-CM/PCS and/or AMA's version of HCPCS, as contained in each Electronic Licensed Product, as applicable (in order that Kareo may accurately report and pay royalties to the AMA).

(f) The Users of *CPT*[®] *Assistant* and/or *CPT*[®] *Changes* are defined as follows:

“User” means an individual who accesses or has access to *CPT*[®] *Assistant* Editorial Content and/or *CPT*[®] *Changes* Editorial Content, as applicable, contained in the Electronic Licensed Product.

The End User shall accurately count Users as defined above for *CPT*[®] *Assistant* and/or *CPT*[®] *Changes*, as contained in each Electronic Licensed Product, as applicable. End User shall report to Kareo the accurately counted number of Users of *CPT*[®] *Assistant* and/or *CPT*[®] *Changes*, as contained in each Electronic Licensed Product as applicable, (in order that Kareo may accurately report and pay royalties to the AMA).

2. **Notices**

(a) CPT is copyrighted by the AMA and that CPT is a registered trademark of the AMA.

(b) **U.S. Government Rights**

This product includes CPT which is commercial technical data, which was developed exclusively at private expense by the American Medical Association (AMA), 330 North Wabash Avenue, Chicago, Illinois 60611. The AMA does not agree to license CPT to the Federal Government based on the license in FAR 52.227-14 (Data Rights - General) and DFARS 252.227-7015 (Technical Data - Commercial Items) or any other license provision. The AMA reserves all rights to approve any license with any Federal agency.

3. **Back Up Rights**

(a) The End User may only make copies of the Electronic Licensed Product(s) for back up or archival

purposes.

- (b) All notices of proprietary rights, including trademark and copyright notices, must appear on all permitted back up or archival copies made.

4. **Miscellaneous**

- (a) **Without limiting any disclaimer or limitation of liability with respect to the Service set forth in the Agreement, the Editorial Content as contained in the Electronic Licensed Products is provided “as is” without any liability to the AMA, including without limitation, no liability for consequential or special damages, or lost profits for sequence, accuracy, or completeness of data, or that it will meet the End User’s requirements, and the AMA’s sole responsibility is to make available to Kareo replacement copies of the Editorial Content if the data is not intact. In addition, the AMA disclaims any liability for any consequences due to use, misuse, or interpretation of information contained or not contained in Editorial Content.**
- (b) The AMA End User Agreement will terminate in the event of default.
- (c) In the event a provision is determined to violate any law or is unenforceable the remainder of the AMA End User Agreement will remain in full force and effect.
- (d) AMA is a third-party beneficiary of the AMA End User Agreement.
- (e) The End User hereby grants Kareo permission to provide the AMA with End User’s name.

Exhibit A to the End User Agreement Checklist

User Proxy Model Calculator for data file licensing (CPT®, ICD-10 and HCPCS)

Hospital Setting: Use this page, if your setting is Hospital(s) only or a mix of Hospital(s) and Ambulatory Facilities.

(Method for calculating Users of Clinical EMR, Integrated Ambulatory EMR and Patient Billing System as required by CPT Distribution License.)

VENDOR NAME

PRODUCT NAME(S)

| PRODUCT CATEGORIES | | | |
|--|---|--|--|
| <p>STEP 1: Identify products For the three product categories, check all which pertain to the product(s) you are licensing. If the product(s) you are licensing is an EMR used exclusively in Ambulatory Facilities, please refer to the next page.</p> | <p><input type="checkbox"/> Clinical EMR A product installed in a hospital that includes functions for clinical documentation, order entry, clinical data repository, provider order entry, physician clinical documentation, etc.</p> | <p><input type="checkbox"/> Integrated Ambulatory EMR A product installed in an ambulatory setting that includes functions for clinical documentation, order entry, clinical data repository, provider order entry, physician clinical documentation, etc., where the product is integrated with a Clinical EMR.</p> | <p><input type="checkbox"/> Patient Billing System A product installed in a hospital that automates institutional and professional billing for inpatient and outpatient services and discharged accounts receivable. It may stand alone or integrate with an EMR.</p> |
| <p>STEP 2: Calculate your User subtotal For each of the product categories you selected in Step 1, multiply your organization's number of Staffed Beds by the factor provided. For those product categories you did not select, enter zero.</p> | <p style="text-align: center;">$\frac{\text{Staffed Beds}^* \times 2}{\text{Subtotal}} =$</p> <p><small>*The total facility beds set up and staffed at the end of reporting period</small></p> | <p style="text-align: center;">$\frac{\text{Staffed Beds}^* \times 3}{\text{Subtotal}} =$</p> | <p style="text-align: center;">$\frac{\text{Staffed Beds}^* \times 1}{\text{Subtotal}} =$</p> |
| <p>STEP 3: Calculate your Total User count Add all subtotals from Step 2 to arrive at your Total User count and record this as the number of Users for the purpose of your License.</p> | <div style="border: 1px solid black; width: 150px; height: 30px; margin: 0 auto;"></div> <p>TOTAL USERS</p> | | |
